## FIRST HOLY COMMUNION

Please remember in your prayers our children who are preparing to receive their First Holy Communion on **Saturday 21st June**.

This **Sunday 15th June** is Family Mass at 11am. Please can the children making their First Holy Communion next week take their pink cards along. There will be a practice of the Gathering song and Offertory Procession too.

On **Saturday 21st June** there will be a photographer available in school from **8:15am**. If your child is waiting in school until the group photograph which will take place at **9:30am**, an adult will need to remain with them. The children will process from school after the photograph.

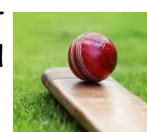

## LANCASHIRE SINGS

**Year Three and Year Five** have been learning sings as part of the **Lancashire Sings** project ahead of their concert. This takes place on **Thursday 19th June** at Chorley Town Hall. We are looking forward to taking part in this local singing event with other schools.

## YEAR FIVE AND SIX CRICKET

Congratulations to our school **Cricket** team who **won** the local cricket tournament yesterday. Their training all paid off with a great team effort.

## PTFA SUMMER FAIR

Thank you so much to all of the **PTFA** for their hard work in organising and managing our wonderful **Summer Fair**. Thank you to all of you for the support in coming along to raise invaluable funds for our school. It is very much appreciated.

## CLASS ASSEMBLIES

**Year Three Class** Assembly will take place on **Friday 27th June** with a focus on Laudato Si, the message Pope Francis asked us to consider about caring for our environment and other people.

**Year Four's Class** Assembly will take place on **Monday 30th June** and their theme is the Eucharist, linking nicely

# SUPERHERO POWERS

## Afterschool club\_

At Jam Coding, our goal is to help improve children's digital skills. Children will learn to develop the illusion of superhero powers in this micro:bit **Superhero Powers** workshop. They will learn how to program in a new coding environment and develop their coding skills to create the illusion of a range of superhero powers, including: telepathy, mind reading, transforming, ghost busting, time travelling and teleporting! Coders will learn how to run these programs on an emulator and a real Micro:Bit computer. At the end of the course, all children will receive a certificate and one team will receive a trophy!
